3M Club Trap and Skeet Club Rules

3M Club Trap & Skeet Club Rules - MSHSCTL Trap Shooting

The following rules are to be followed by all Minnesota State High School Clay Target League (MSHSCTL) student trap shooters, coaches and volunteers while shooting at the 3M Club Trap & Skeet Club.

- Absolutely no alcoholic beverages are allowed to be brought on to, or consumed on, the club property. The club does not provide or sell any alcoholic beverages.
- Ear and ear protection must be worn at all times while on the trap shooting fields.
- The maximum shotgun shell load is 3 drams equivalent powder with no shot larger than 7 ½ for trap shooting or patterning.
- The muzzle of your shotgun must be pointed in a safe direction at all times.
- Only one shotgun shell is allowed in your shotgun at any time. It is not allowed to walk from station to station with a shell in the chamber with the breach or action open or closed.
- The breach or action of your shotgun must be open at all times and closed only when you are at your proper station and ready to shoot.
- Cell phone usage is not allowed while on the trap shooting fields.
- Only MSHSCTL coaches and adult volunteers and 3M Club Trap & Skeet Club personnel are allowed to load the Pat Trap turrets and load boxes of clay targets in the trap houses.
- Only 3M Club Trap & Skeet Club personnel are allowed to check, modify or repair the Pat Traps in the event there is a malfunction or other type of machine issue. MSHSCTL coaches and adult volunteers are allowed to make Pat Trap elevation adjustments when needed.
- All observers, except for MSHSCTL coaches and adult volunteers and 3M Club Trap & Skeet Club personnel, must stay behind the trap fields range fence at all times.
- If there is a shooting delay or an interruption during a round, all shooters on the firing line must extract their shells until the delay or interruption is resolved and shooting is resumed.
- Empty hulls are not to be picked up while on the firing line during a round. The empty hulls must be picked up at the end of the round - after all guns have been cleared.

- 3M Club Trap & Skeet Club members will be Range Safety Officers during MSHSCTL shooting sessions. They reserve the right to dismiss any individual from the shooting range for any unsafe action(s) or rule violation(s).
- All 3M Club Trap & Skeet Club member and Range Safety Officer communications with MSHSCTL athletes will be communicated through the coaching staff. Communications regarding safety violations can be communicated directly to the athletes.
- Range Safety Officers have the discretion to delay or cancel an MSHSCTL shooting session if it is deemed that lightning or any other unsafe weather condition poses a threat to the shooters.
